APPRECIATION OF DONATED 100 UNITS OF OXYGEN CONCENTRATORS

It is with great homage; I write this note of appreciation for the donation of 100 units of much needed Oxygen Concentrators which were truly materialized with the benevolent intervention of Sri Lankan Buddhist Cultural Centre – Hong Kong under your divine leadership.

The Nation is in utmost gratitude to you for recognizing the opportunity to obtain such material support for Sri Lanka to fight the pandemic. This donation provided life support to patients from destitute regions of Sri Lanka. In this regard, I wish to extend our sincere thanks to the principal donors and appreciate their noble deeds to save lives by strengthening the curative health efforts.

Finally, once again I pay my deepest respect for your noble effort, and I as the Head of the National Operation Centre for Prevention of Covid-19 Outbreak, avail this opportunity to assure your highest consideration in assisting the National efforts in the future as well. May the blessings of Noble Triple Gem strengthen your virtuous aspirations always.

Thanking you,

Yours truly
